

PHILIPS

All-in

Philips CorePro LED lamps All-in

All you need to simplify your stock management

New: the first All-in LED spot

Philips CorePro LED lamps All-in combine up to 5 codes into 1 by offering up to 5 color temperatures in a single lamp. Enjoy greatest convenience and flexibility on-site at the flip of a switch. This newest addition to the Philips LED lamps portfolio is the versatile solution for all jobs, be it new installations or maintenance.

Here's how it works

- The color temperature can be adjusted via an integrated switch
- Multi ColorTemperature:
LED bulb All-in: 2700K, 3000K, 4000K, 5000K, 6500K
LED spot All-in: 2700K, 3000K, 4000K

Your benefits

Fewer codes – full portfolio

From up to 5 codes to 1 – simplify your inventory and operational complexity. While maintaining your full offer.

Reduced risk of overstocking

Say goodbye to shelf warmers and obsolete product codes.

Easy to recommend

Recommending the perfect lamp is easy with Philips All-in, because you always have the right product on hand.

Trusted Philips quality

All-in lamps fulfill our highest standards to give you peace of mind. And happy customers.

Local subsidies can further enhance the appeal of energy efficient lighting for your customers. Learn how they can tap into possible funding on philips.com/ledconversion
