ACC MAXOS, Argent

The swivel device is a versatile mechanical connecting device for Maxos TL-D and TL5 light-lines and enables variable angles between the light-lines. The minimum angle is 45 degrees. Due to its attractive design it is often used in application areas such as shops, schools and museums. Up to four light-lines can be connected with one swivel device. The housing is made of plastic, with a white or silver coating, and with inner supporting elements made of steel. If needed, the swivel device can accommodate lighting control sensors, loudspeakers, etc. It is pre-mounted with an adjustable quick hanger with a 1.25 m steel suspension wire. One dedicated coupling piece (9MX056 CP-SD WH/SI) per trunking section is necessary to connect the trunking to the swivel device. Electrical components for mains feed-through have to be ordered as required.

Données du produit

Informations générales		Code EOC	
Couleur des accessoires	Argent	Code de commande	10808400
Code famille de produits	9MX056 [ACC MAXOS]	Code 12NC	910681003326
Approbation et application		Numérateur - Quantité par kit	1
Indice de protection	-	Poids net (pièce)	0,584 kg
Classe de protection CEI	-	Code EAN – Produit/Boîte	4030732108084
Données du produit		Conditionnement par carton	1
Nom du produit de la commande	9MX056 CP SI	Codes EAN/UPC - Boîte	4030732108084
Nom de produit complet	9MX056 CP SI
