Highlights

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Easy installation

No more hassle in installation. Just fix or hang securely on the wall or ceiling, and plug in, now this luminaire is ready to light on.

Enhance your moment Tunable with memory function

Memorize your favorite tunings of different light settings to easily find your perfect level of illumination.

Multiple layered visual effect Dynamic tiered design

This dynamic tiered design makes for a striking impression that adds a creative touch to your rooms.

Premium faceted crystals for sparkling light effect

Faceted crystals a touch of refined, vintage charm to your space.

4 pre-set scenes

Enjoy different ambiances with the convenience of pre-set light scenes for every occasion.

Remote control provides easy control of light settings up to 10M

Turn lights on or off or change brightness and color from up to 10m away with this remote control.

Multi light zone control

Allows you to adjust the brightness and/or color temperature in different light zones of the same luminaire to create a personalized light scene.
