Control
• Tunable with wall switch
• 4 pre-set scenes
• Auto shutdown after 60 mins
• Convenient brightness controlLinear dimming function (remote control not included)

Highlights

Enhance your momentTunable with memory function
Memorize your favorite tunings of different light settings to easily find your perfect level of illumination.

10s time delay light off with remote control
The 10 second delay gives you time to leave the room once you've turned out the light with your remote.

Eyecomfort
Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they
meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Tunable with wall switch
An easy-to-use wall switch allows you to shift between different light colors.

4 pre-set scenes
Enjoy different ambiances with the convenience of pre-set light scenes for every occasion.

Auto shutdown after 60 mins
When sleep mode is on, the light will automatically go out after 60 minutes. No more getting up in the middle of the night just to witch the light off.

Convenient brightness controlLinear dimming function (remote control not included)
Lets you smoothly shift between different brightness levels to find the perfect mood.
