- Cozy light effect

Safety

- Designed for kids

Premium quality

- EyeComfort - light that's easy on the eyes
- Easy to clean

Control

- Tunable - from warm white to cool daylight
- Tunable with wall switch

Highlights

Easy installation

No more hassle in installation. Just fix or hang securely on the wall or ceiling, and plug in, now this luminaire is ready to light on.

Cozy light effect

Create a warm, comforting environment to wind down and relax in.

Designed for kids

Provides complete safety for kids, with soft, comfortable light that lets them play or do their homework without straining.

Eyecomfort

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

Easy to clean

Smooth and easy-to-clean materials mean your home always looks attractive from floor to ceiling.

Tunable - from warm white to cool daylight

Tunable lighting lets you change the color of light to match your mood or activity. Warm white is ideal for relaxation, cool daylight for invigorating focus.

Tunable with wall switch

An easy-to-use wall switch allows you to shift between different light colors.
