Works with all Connected by WiZ products

8720169216433

Easy, wireless control

Philips Connected by WiZ NFC tags can help you set your favorite light modes quickly. Simply stick these customizable tags and tap them with your phone. You can personalize the tags to turn lights on or off, trigger focus mode for working at home, set lights to party mode to boogie down with your friends, or any other setting you desire. Quick and easy, no batteries required.

Easy setup
- Place or stick your tags

Smart control
- Quick and easy control for you smart lights
- Customize tag actions
- Works with the WiZ app

Form factor
- Personalize your tags with your favorite stickers
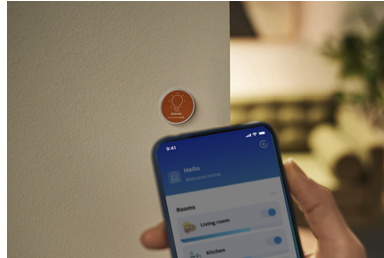

Highlights

Adhesive back

Stick the adhesive-backed NFC tags in a convenient location indoors—for example, on a wall or on a desk.

Easy quick control

Set up the NFC tags easily in the WiZ app. Then simply tap them with your smartphone to activate and control your Connected by WiZ lights—no batteries or other accessories required.

Customize actions

Use the WiZ app to assign an action to each tag. Turn Connected by WiZ lights on or off, or trigger focus mode, movie night mode, relax mode, party mode, or any other action you select.

Works with the WiZ app

This NFC tag works with WiZ app so you can control all kinds of lights in the WiZ ecosystem. Any lights, as long as they are "Connected by WiZ".

Personalize your WiZ tags

Apply the provided stickers to your NFC tags so that you can distinguish them at a glance. Or use the blank stickers to create your own labels and designs.
