# Highlights

## Expressive and elegant form

A clean, modern design provides elegance and sophistication to your rooms.

## Add vibrancy to your room

Introduce a splash of character and mark your personality into every room.

## Compact design

Compact size allows luminaire to be placed in small spaces.

## Super slim design

Slim design is ideal for low-ceiling rooms, sitting flush against the surface.

## Bright light with uniform distribution

To really light up your rooms, choose this uniform distribution light which throws light evenly across the space.

## Bright and focused beam

Focus light on objects, a dining table or other interiors to draw attention to particular stylings.

## Bright and even light

Light is clear and distributed evenly around your space in a dependable manner.

## Durable and impact resistant die-cast aluminum housing

The die-cast aluminum housing of this item adds to a cultivated and refined contemporary atmosphere.

## Eyecomfort

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

## Durable aluminum housing

Creates a strong, clean and contemporary style for your space.

## Long life span up to 25,000 hours

Philips LED technology extends your product's lifetime up to 25,000 hours
