Best value for money

Philips EcoHome bulbs offer great value for money. Realize energy savings of up to 80% over old incandescent bulbs with these reliable and affordable replacements.

Sustainable choice

- Save energy from the moment you turn the switch

Beacon of trust

- You can trust what the Philips packaging is saying

Highlights

Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy

bill. The level of energy saving differs per lamp type and technology.

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.
