High quality switch and socket designed to safely last for years

Philips LeafStyle provides modern design, high safety standard and easy to install switch & socket to your family.

Safety and Durability

- Safety and Durability

Easy for use

- Compatible with other brands
- Easy for use, save time and energy
- Modular design, free combination, follow your desire

Modern Design

- Modern design, more than a functional part, it is a decoration

Highlights

Safety and Durability

1. High quality PC for Cover and Base.2. Key metal parts are used with 0.6mm thickness phosphor bronze.3. Pass IEC standard and follow more strict Philips internal design rule.

Compatible with other brands

Compatible with main stream modular switch in other brands.

Easy for use

1. Smaller module height, which will make installation more easy.2. Quick installation terminal, no need to use screw.

Modular design

Choose modules and combine on one cover to meet personal preference.

Modern Design

1. The inspiration of our design is the natural curve of leaf, could be an art decoration for your home.2. Two classic colors -- white and metallic black to match various home styles.
