Easy to control, full-color smart table lamp

Bring smart light to any corner of your space with the WiZ Squire dual zone table lamp, which casts colorful light onto the wall. Use with the WiZ app or your voice to dim and brighten or use preset light modes on Wi-Fi setups.

Easy setup

- Easy plug and play

Smart control

- Control from anywhere with your smartphone
- Go hands-free with voice control

Smart features

- Automate your light with schedules
- Preset wellbeing features

Light modes

- Millions of colors and dynamic light modes
- Customize Scenes with preset dynamic light modes
- Subtle backlight design for unique look

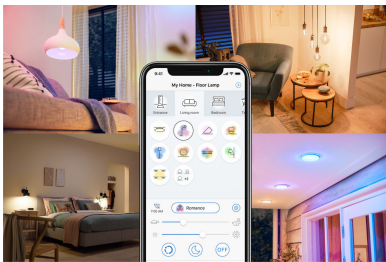

Highlights

Easy plug and play

WiZ works with your existing Wi-Fi router, no additional gateway is needed. Simply plug in your new light, download the WiZ app and you're ready to go!

Control from anywhere

Control your WiZ lights wherever you are with smartphone. No need to worry if you've left your lights on before leaving home. WiZ app is available for iOS and Android.

Go hands-free with voice control

Control your lights with just the sound of your voice, simply enable integration with Google, Alexa or add to your Siri shortcuts.

Automate your light with schedules

Automate the lights to fit your daily or weekly routines. Schedule your light to turn on before you arrive home and keep it off when not needed.

Preset wellbeing features

Use the preset wellbeing features in the WiZ app to and enjoy the lighting pattern best suited for your circadian rhythm through the day. WiZ will provides you bright daylight when you need to get energized and focus, and transition smoothly to soft warm white to help you relax and sleep better.

Millions of colors and dynamic light modes

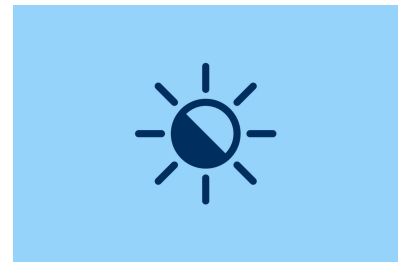

Choose from a palette of millions of light colors to create an amazing atmosphere in your home. Enjoy the subtle differences that our dynamic light effects glow your environment.

Customized Scenes

Mix different color and white lights modes to create the perfect light ambience for your daily moment. Save it and call it out anytime with app, remote or voice.

Dual zone light effect

This lamp's unique dual-light-zone design lets you project a splash of light onto the wall, while still emitting a soft glow onto the table or counter on which the light sits.
