Best value for money

Philips Essential bulbs offer great value for money. Realize energy savings of up to 80% over old incandescent bulbs with these reliable and affordable replacements.

Sustainable choice

- Carbon footprint
- Save energy from the moment you turn the switch

Beacon of trust

- You can trust what the Philips packaging is saying

Highlights

Carbon footprint

Energy savers reduce the amount of energy in your home, which not only results in a lower energy bill, but also in less carbon (CO₂) output by your energy supplier. Together we make this a better world to live in.

Energy efficient

All Philips energy savers save energy from the moment you turn the switch. During their lifetime they use fewer kW and thus also result in a lower energy bill. The level of energy saving differs per lamp type and technology.

Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.
