# Highlights

## Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Suitable for low ceilings Slim design Easy to install, safe to use

The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.

## Bright and focused beam

Focus light on objects, a dining table or other interiors to draw attention to particular stylings.

## Eyecomfort

Poor quality light can cause eye strain. With many of us spending time indoors, it's more important than ever to properly light your home. Our products meet stringent test criteria including flicker, strobe, glare, color rendition and dimming effects to ensure they meet EyeComfort requirements. Philips LED bulbs not only deliver comfortable light, but also stay that way for the duration of their lifespan, delivering consistent light quality, output, and color for more than a decade. Switch to light that's easy on your eyes. Your eyes will thank you.

## Long life span up to 15,000 hours

Philips LED technology extends your product's lifetime up to 15,000 hours.
