

# Ledinaire floodlights gen3

# **BVP164 LED55/830 PSU 50W SWB CE**

Ledinaire floodlights gen3, 50 W, 5500 lm, 3000 K, CRI80, Symmetrical wide beam, IP65

This Ledinaire floodlights range contains a selection of popular off-the-shelf LED luminaires that comes with the Philips high quality levels at a competitive price. Reliable, energy-efficient and affordable – just what you need.

#### **Product data**

| General Information       |                                   |
|---------------------------|-----------------------------------|
| Lamp family code          | -                                 |
| Light source replaceable  | No                                |
| Number of gear units      | 1 unit                            |
| Driver included           | Yes                               |
| Light source engine type  | LED                               |
| Service tag               | No                                |
| Lighting Technology       | LED                               |
| CE mark                   | Yes                               |
| Warranty period           | 3 years                           |
| Flammability mark         | -                                 |
| ENEC mark                 | -                                 |
| Glow-wire test            | Temperature 650 °C, duration 30 s |
| EU RoHS compliant         | Yes                               |
|                           |                                   |
| Light Technical           |                                   |
| Upward light output ratio | 0                                 |
| Luminous Flux             | 5,500 lm                          |
|                           |                                   |

| Standard tilt angle posttop                    | -                     |
|--|-----------------------|
| Standard tilt angle side entry                 | -                     |
| Correlated Color Temperature (Nom)             | 3000 K                |
| Luminous Efficacy (rated) (Nom)                | 110 lm/W              |
| Color rendering index (CRI)                    | >80                   |
| Flickering value (PstLM) - Flickering value as | 1                     |
| per EN 61000-3-3                               |                       |
| Stroboscopic effect visibility measure (SVM)   | 5                     |
| Light source color                             | 830 warm white        |
| Optical cover type                             | Glass                 |
| Luminaire light beam spread                    | 110° x 110°           |
| Optic type outdoor                             | Symmetrical wide beam |
|  |                       |
| Operating and Electrical                       |                       |
| Input Voltage                                  | 220 to 240 V          |
| Line Frequency                                 | 50 or 60 Hz           |
| Initial CLO power consumption                  | - W                   |
| Average CLO power consumption                  | 50 W                  |
